PROPERTY DESCRIPTION

Just reduced to \$334,950! VERY private acreage (appx 1 acre manicured setting surrounded by additional wooded acreage). Excellent opportunity for anyone looking for the peace and tranquility of rural living. This 3 Bedroom + Den home was custom built and has been meticulously maintained by the original owners. The daylight basement floorplan offers a great deal of flexibility for expanding or extended or the individual looking for a little extra room and privacy.

The Kitchen has just been updated with gorgeous granite counter tops and a new double stainless sink and faucet. The floorplan is open and spacious and very bright due to a generous number of double pane windows.

It's nearly impossible to find a home at this price, with this much privacy in the Tahoma School District. Don't let this opportunity pass you by!
