## PROPERTY DESCRIPTION

Well maintained by Original Owners, this is the larger of the two rambler floorplans built by Schneider Homes in Valley Green. Vaulted ceilings and plant ledges help create a spacious, open feeling throughout this home. The Kitchen/Family Room combo is perfect for indoor entertaining, and outside there is an oversized patio & fully fenced, level yard for outdoor get-togethers. The Master Suite is located at one end of the home and the remaining two bedrooms and bath at the other, making this a great design for guests.
